

# THE PLAN OF LAGUNA OAKS GOLF COURSE

## GOLDEN GOLF

"GOLDEN GOLF" IS A NEW CONCEPT THAT IS DESIGNED TO PROVIDE FUN, SATISFACTION AND IMPROVEMENT IN YOUR GAME

THE GOLDEN GOLF CONCEPT IS ALSO DESIGNED TO DECREASE SOME OF YOUR FRUSTRATIONS IF YOU CHOOSE TO BE ONE OF THE "GOLDEN" GROUP

SO WHO WILL GO FOR THE GOLD

MOST JUNIOR GOLFERS ARE GOLDEN

SOME LADY GOLFERS ARE GOLDEN

ALL BEGINNER GOLFERS ARE GOLDEN

HOW DOES "GOLDEN GOLF" WORK?

NOTICE HOLES ON THE PLAN NUMBER, **11, 11A** AND **15** ARE PAR 5'S BY THE "GOLD STANDARD"

EACH HOLE CONTAINS TWO TARGET LANDING ZONES (GOLD FLAGS) BEFORE YOU GET TO THE GREEN.

IF YOU CAN GET ON THE GREEN IN THREE SHOTS AND THEN "HOLE OUT" WITH TWO PUTTS -----

YOU'VE GOT YOURSELF A PAR

A PAR CAN FEEL VERY REWARDING

A BIRDIE WILL MAKE YOU FEEL TERRIFIC

THIS DRAWING OF THE COURSE LAYOUT PLUS THE SCORE CARD ALSO SHOWS THE "GOLD STANDARD" FOR THE PAR 4 HOLES

SO PLAY THESE CHALLENGING HOLES ON THE "GOLDEN PATH" AND ENJOY -----

THE WONDERFUL GAME OF GOLF

"LAGUNA OAKS" FROM THE BLUE TEES SHOULD PROVIDE LOW HANDICAP PLAYERS A TRUE AND SERIOUS TEST FOR IMPROVING THEIR "SHORT GAME" SKILLS

FOR THE MID-HANDICAP GOLFER, THE BLUE OR THE WHITE TEES WILL PROVIDE A UNIQUE CHALLENGE NOT USUALLY FOUND ON TYPICAL PAR-3 GOLF COURSES

A SPECIAL CONSIDERATION FOR THE HIGH HANDICAP PLAYER IS BUILT INTO THE COURSE DESIGN BY CREATING LANDING AREAS (TARGET ZONES) FROM TEE TO GREEN ON SOME LONGER HOLES

THIS LAYOUT OF "TARGET GOLF", WHICH WE ARE CALLING GOLDEN GOLF HAS A UNIQUE SCORING SYSTEM—FOR INSTANCE, A 170 YARD HOLE THAT IS A PAR 3 FOR A "LOW HANDICAP" PLAYER BECOMES A PAR 5 FOR THE "HIGH HANDICAPPER"
